# Who we are.

**Calloose**  
**Weddings & Events**  
*Your Day Your Way*

We're a family-run venue built on years of experience in events and a genuine passion for creating memorable celebrations. When we took over Calloose, we didn't set out to become a traditional wedding venue — it naturally evolved as couples saw how flexible, welcoming, and personal our space could be.

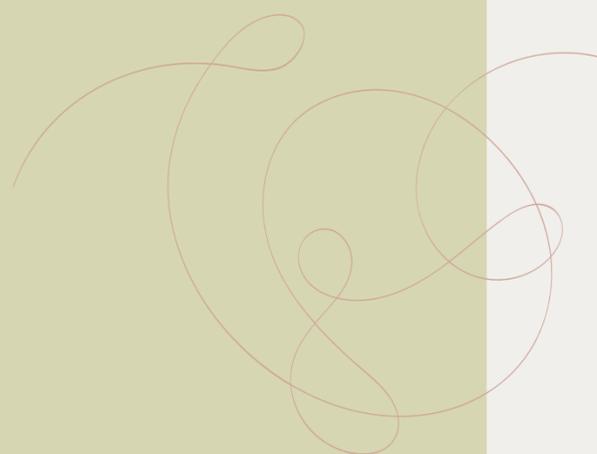

Today, we offer something different: relaxed, customisable weddings where nothing feels forced or scripted. We care about the details, support you from start to finish, and make sure your day feels like you — joyful, effortless, and shared with the people who matter.
